BOOST

Electrolyte Enhanced Water
from your PWT 3i[+]

ENJOY THE SAME BENEFITS

as bottle water brands such
as Fiji®, Smart Water®, Evian®,
and Voss® all day long for
a *fraction* of the cost.

Experience the Taste of Pure water

Enjoy a continuous supply of great tasting, electrolyte-enhanced water, all from your PHSI 3i[+]. Pure Water Technology is the only water purification manufacturer to offer a BOOST cartridge that promotes a healthy lifestyle and wellness in the workplace. It works by using a 5-stage purification process to wash away contaminants and adds a BOOST of essential nutrients and electrolytes.

BOOST BENEFITS

- [+] Electrolytes that enhance performance, regulate and maintain pH levels, and allow for proper muscle action.
- [+] Clean water with high alkaline, neutralizing acid in the body which can strengthen your immune system.
- [+] Fresh taste that rehydrates and nourishes your body.
